DRAFT SCOPE OF STUDY COMMENT FORM

How Do I Submit Comments?

- **Written Comments:** Complete and submit this form at a public meeting, or mail your comments to the Surface Transportation Board's address at the bottom of this page.
- **Recorded Comments:** Provide your comments to a court reporter at a public meeting.
- **Electronic Comments:** Submit electronic comments by visiting the Surface Transportation Board's website, www.stb.dot.gov, under the heading "E-Filing."

Please refer to STB Finance Docket No. 35095 in all correspondence addressed to the Surface Transportation Board. Comment deadline is: March 21, 2008

I am the property owner of 119 acres located on the corner of Michap & Corner, which lies approx. mile 19-20 of the Willow line of the proposed railway corridor. According to the map at the public meeting March 2008, the rail splits my acreage down the middle. I would ask that instead of this situation, the rail be moved west to the property line. Most of this property is wetland area. There is no logical highland except in small patch areas. So that probably is not an issue. My concern is that by splitting the property down the middle, access west of the rail would not exist for us. As we have made clearings & trails in our property, the best impact with us would mean moving the corridor to the property line or splitting the right-of-way with the neighboring property to the west.
